

**QUOTE No. 010**

*VALENCIA ORANGE*

Our crops are located in the southwest of Antioquia between the western and central mountain range that make up the Cauca River canyon. This area characterized by the microclimate and fertile lands allows obtaining superior quality fruits throughout the year.

Our crops are certified by the ICA:

- \* ICA Farms producing fresh fruits.
- \* ICA Vegetable Exporting Companies
- \* ICA Sweet citrus producing fields USA
